1. Conferred with Mr. Jones, Mr. Sheppard, Mr. Bryant of the Bureau of the Budget on draft of CIG enabling legislation. It was felt by the Bureau that nothing should be done to hinder the passage of the merger bill, but that enabling legislation should be available in case something went wrong. It was felt that the proposed CIG draft was too detailed, and that it should be limited virtually to the President's directive plus the special powers contained in Sections 6 and 7.
